GOD IS WITH US

Very Often, we fail to recognize a God that is close to us, we often prefer an abstract, distant God, it makes us more comfortable, one that doesn't get himself involved in everyday situations and who causes a faith that is far from life, from problems, from society. But that is not the God that Jesus reveals. God incarnated Himself; God is humble, God is tender, God is hidden, he draws near to us, living the normality of our daily life.

God is with us, the challenge is to recognize how close He is.

Dear God, there are so many negative influences that surround us each day.

Teach us to protect our space from anything that seeks to steal our joy and rob us of our peace.

Help us to be rooted and grounded in the love of our Lord, Jesus Christ. It is in His name that we pray, and thank You. Amen.

Thank you! to all who contribute so generously to Parish Collections. If you are not in receipt of a yearly box of envelopes and would like to contribute there are envelopes at the Church doors which you may use.
