World Day of Migrants and Refugees This Sunday 29th September 2024

"God walks with His people"

"**God walks with His people**", is the title chosen by Pope Francis for his Message for the upcoming World Day of Migrants and Refugees which we celebrate on Sunday, September 29, 2024.

Throughout history, humans have migrated across the globe, making their homes in new places. Yet, at this moment, we are experiencing the largest migrant and refugee crisis in modern history. Conflict, poverty and violence have forced tens of millions of people away from their homelands into unknown futures because the insecurity of the journey is preferable to the unsafe conditions in their own homes and countries.

It is not just about migrants ...

- It is not just about migrants:
It is also about our fears and hurts.
- It is not just about migrants:
It is about charity and compassion.
- It is not just about migrants:
It is about our humanity.
- It is not just about migrants:
It is a question of seeing that no one is abandoned or excluded.
- It is not just about migrants:
It is about putting the last in first place.
- It is not just about migrants:
It is about the whole person, about all people.
- It is not just about migrants:
It is about building the People of God.

The message of justice and hope for an equal share of the world's goods for everyone is strong in the Gospel of Jesus. His heart was on fire with the hope of a better life for the poor. He went to help them simply because they were poor. The Christian Church, if it is to be faithful to the Gospel, should be involved in many ways in the creation of a more just world. The Christian parish takes a special care for the refugee, the new poor, the elderly, and in fact all whose voices may not be usually heard. Maybe then more doors can be opened from the inside of wealth to the outside of poverty.
Lord, may we build with you a world of justice and peace.
