Challenges come to us in myriads of ways and often leave
us incapacitated, with little possibility of success.
Instinctively, under such circumstances, we seek the help of
family members, relatives, friends, the community, or anyone
we believe has the capacity and means to offer the support
and the presence we need.

In the face of some challenges, we seek divine support
through prayer, knowing God to be a sure source of strength
and hope. Trusting in God comes from a deep feeling of
confidence that the challenges of life cannot defeat or broken
you, but rather that you will emerge from them victorious.
The lives of Peter and Paul revealed that trusting in God,
especially in times of adversity, brings victory and glory,
even if not on the world's terms.

A Prayer to start your Day

Dear God, I thank You for giving me a new day to start.
I pray that You watch over me, my family,
and everyone in need of Your grace.
Protect us, guide us, and fill
our hearts with Your peace.
Forgive me for my weaknesses,
and strengthen my faith in You.
Where there is **Faith**, there is **Love**.
Where there is **Love**, there is **Peace**.
Where there is **Peace**, there is **God**.
And where God is, nothing is missing.
Lord, I place this day in Your hands.
Your plan is always perfect,
and Your love never fails.

AnneMarie + Puff sincerely **thank all** who contributed to
Sacristan's collection recently.

... Being **Humble** means recognising that we are not on
earth to see how important we can become, but to see how
much difference we can make in the lives of others.

... In a society that has you counting money, pounds,
calories, and steps, be a rebel and count your **Blessings**
instead.

... **Forgiveness** is unlocking the door to set someone free
and ...realising you were the prisoner.

... **Character** is how you treat those who can do
nothing for you.
