And on such Days there will be no 9.30 a.m. Mass**

Why Sunday Matters

As we journey together through this Jubilee Year of Hope, we, the Irish Bishops, warmly invite all Catholics to reflect on the profound gift of Sunday Mass. This special year offers a unique opportunity to rediscover the heart of our faith and, for those who have been away, to return with renewed joy to the celebration of the Eucharist.

Sunday – the day of the Lord – has always held a central place in the life of the Church. It is the day of resurrection, rest, and Eucharist. It is the day when we gather as a community, united in our love for Christ, to encounter the risen Lord and be nourished in body and soul.

In this document, we reflect on the immense significance of Sunday Mass – not simply as a ritual, but as the source and summit of our faith. Here, we meet Christ in His living Presence and are strengthened to live as His disciples. Attending Sunday Mass, or its vigil on Saturday evening, is more than a duty; it is a sacred privilege and a chance to be renewed by God's love.

We invite you to explore this message with an open heart, and to embrace the precious gift of Christ's Presence among us in the Eucharist.

Prayer For Back to School

Dear Lord,
as our students begin a new school year,
we pray that you will keep them in your care.
Send your Spirit to open their minds
to all that is true and beautiful and good.
Help them to see the gifts and talents
You have given them and to use them well.
Help them to grow in knowledge and wisdom.
Help them to be kind to others
and lead others to be kind to them.
Give their teachers patience and understanding
and help them teach what is just and true.
Send your angels to guide and guard our
children and to keep them from all harm.
Open their young hearts to your Presence
and enfold them in your peace and protection.
Hold them in the palm of your hand
and bring them home safely at day's end. **Amen**

Sixmilebridge G.A.A. Club Annual Scrap Metal

Will take place during August / September.
The Club are looking for any type of Scrap Metal ...
