The Irish Blood Transfusion Service is urging people
in the Shannon area to donate.

"Demand from Irish hospitals has not slowed down," said Alex O'Connor, IBTS Recruitment Executive. "Your donation can help ensure patients continue to get the blood they urgently need. Giving blood takes less than an hour and could mean the world to someone in need. Irish hospital's demand for blood continues to rise month on month. 3,000 blood donations are needed each week just to keep pace. All blood types are needed. Every single donation makes a profound difference. Blood is a lifeline for thousands of patients every year – from those undergoing complex surgeries, individuals battling cancer and leukaemia requiring chemotherapy, to mothers experiencing complications during childbirth, and victims of serious accidents. One unit of blood can save or significantly improve the lives of up to three people.

Year of Hope We live in a world where there is great need for Hope. This year is a Holy Year focused on Hope. Bishop Fintan has designated the Church of Our Lady of the Rosary, Newmarket-on-Fergus as a pilgrimage centre for the Holy Year. Our pastoral area has organised a celebration of hope to take place in the Church of Our Lady of the Rosary, Newmarket-on-Fergus at 7pm on Thursday, 2 October (Feast of the Guardian Angels). Olive Foley from Killaloe will share a reflection on hope in her own life. All are welcome.

Calling All Singers: We are very grateful to everyone who took part in our first choir rehearsal for our Year of Hope Liturgy with Olive Foley on 2nd October. The next rehearsal will take place in Newmarket Church at 7.30pm on next Thursday, 25th September. Any additional singers or musicians are most welcome to attend.
